

Our mission: Hospice Savannah, Inc., a not-for-profit organization, provides the best services and resources to the community on living with a life-limiting illness, dying, death, grief and loss.

Dear Friends,

Since 1979, Hospice Savannah has provided the best services and resources to our community on living with a life-limiting illness, dying, death, grief, and loss. We have helped thousands and thousands of people – patients, their families, and loved ones – during challenging and difficult moments. None of this would be possible without you...

...Because of you, families relive fond memories through our Story Keeping program...

...Because of you, patients receive compassionate care in our home-like Hospice House...

...Because of you, pain is alleviated through the Steward Center for Palliative Care...

...Because of you, grieving children receive caring bereavement support at Full Circle...

...Because of you, families are comforted knowing their loved ones receive the best possible care...

You help us achieve this every day...This, and so much more.

We present to you our 2012 Annual Report, which highlights all we accomplished together last year. We hope you are as proud as we are to realize what a tremendous difference we make in the lives of our community's citizens. Thank you for joining with us to help all who need us. Our work would not be possible without your continued generous support of Hospice Savannah.

Thank you for sharing our commitment to our mission. Together, we are people with a gift for helping.

With gratitude,

Kacey Ratterree, Chair

Hospice Savannah, Inc. Board of Directors

Samuel Adams, Chair

Hospice Savannah Foundation, Inc. Board of Trustees

James David Baxter, MD, Chair

Steward Center for Palliative Care, Inc. Board of Directors

Debra Anthony Larson, MSW, President & CEO

How We Help

We are proud that for over 34 years our profits have been returned to our community in the form of extra services to our patients and families, rather than in dividends to financial shareholders.

We exist to lift the burden of worry when you or your loved one receives a life-limiting diagnosis. Simply ask for our Referral Center and we will answer all your questions. Medicare, Medicaid and most private insurance cover the costs of our care, but care is provided regardless of ability to pay.

We help by providing:

- Peace of mind through round-the-clock on-call availability of registered nurses, social workers and chaplains.
- Admission to Hospice House or continuous care in your home for aggressive pain or symptom management.
- Music therapy, story keeping, physical therapy, massage therapy, speech therapy, and nutritional counseling.
- The support of physicians and nurse practitioners certified in hospice and palliative care medicine.
- Medications and therapies related to the terminal illness to provide comfort and independence delivered to your home at no expense. Our patients enjoy life fully and do not need to be homebound.
- Five-day respite stays in Hospice House to offer caregivers a much needed break.
- Medical equipment such as hospital beds, oxygen, wheelchairs and supplies and disposable paper products for patient comfort and caregiver convenience delivered to your home at no expense.
- Help for patients with chronic and life-limiting medical conditions who are not yet ready to accept, or are not yet appropriate for, hospice care. Our Steward Center for Palliative Care offers medical expertise and Steward Center Companion volunteers can support weary caregivers or patients for up to four hours a week. Contact 912.354.8014 or visit www.StewardCenter.org for more information.
- Bereavement services for any child, teen, or adult in the five counties we serve, regardless of the nature of the loss. Contact Full Circle at 912.303.9442 or visit www.HospiceSavannah.org/Griefsupport for more information regarding individual or group therapy appointments in Savannah, Rincon or Richmond Hill.

2012 Highlights

January

Daniel Sulmasy, MD, PhD, was our honored speaker at the 4th Annual Hospice Savannah Lecture Series. A Franciscan friar, internist and ethicist, Dr. Sulmasy spoke on both the spiritual issues and ethical issues of caring for the dying.

Our Hospice Savannah Art Gallery presented a Low Country Art Show to benefit the Steward Center for Palliative Care. Featured artists were Samantha Claar, Richard Law, Carol Lasell Miller and jeweler Carlyle Buevas.

February

Work was completed on a pergola on the grounds behind the west wing of Hospice House. Similar to the one Doug and Terry McCoy enjoyed together in their Wilmington Island garden, Doug and his children commissioned the pergola and plantings in memory of Terry who died at Hospice House in late 2010.

March

At the Hospice Savannah Annual Meeting held at The Savannah Golf Club, board president Holden Hayes passed the baton to community member and long time supporter Kacey Ratterree.

April

Wells Fargo Insurance Services generously sponsored the inaugural 2012 Hospice Savannah Golf Tournament at The Savannah Golf Club.

May

Camp Aloha, our annual overnight camp to help children ages 6-17 who have experienced the death of a loved one, was held on the first weekend of the month. 60 campers attended.

June

Warm thanks to community volunteer Jane Kahn for researching and writing a *Savannah Morning News* article explaining our Pet Peace of Mind® program, which helps patients enrolled in our care to stay with their beloved pets.

Honorary Volunteer Chair, Jacqueline Pierson Tomlin, did an outstanding job of helping us coordinate our annual Hospice Savannah Summer Night event. 15 fund-raising and friend-raising parties were held following the kick-off event at Local11Ten's rooftop lounge Perch.

July

Christmas in July! Knowing that our patient would not live to experience them again, our staff and volunteers helped her celebrate the holidays of Easter, Halloween, Thanksgiving and Christmas during her stay in Hospice House.

Our CEO, Debra, was interviewed about our cutting-edge work in integrating palliative care into the acute care hospital setting of Memorial Health UMC in an article in the National Hospice and Palliative Care Organization's *Newsline* publication.

August

The 10th Annual Robbie Smith Golf Outing was held, and sport fishermen enjoyed the 1st Annual Coastal Empire Kingfish Classic at the Fort McAlister Marina in Richmond Hill. Both benefited Hospice Savannah.

September

Bereavement counselor Betsy Kammerud, LCSW, began seeing clients in the United Way offices in Richmond Hill.

The Combat Veterans Motorcycle Association held its inaugural "Vets Helping Vets" Poker Run benefiting Hospice Savannah's veteran recognition program.

October

We were proud to be recognized as only the second hospice in the State to attain the "We Honor Veterans" Partner Level Four – the highest level of recognition offered by the National Hospice and Palliative Care Organization – for our work with veteran patients.

The walls of the Hospice Savannah Art Gallery were filled to overflowing with miniature masterpieces during our 4th Annual 5 by 7 Art Show. Thanks to the many generous artists who contributed work for silent auction.

November

Traditionally we honor and thank our volunteers during November, National Hospice and Palliative Care Month. Our 2012 awards ceremony and dinner had a "Dancing with the Stars" theme!

December

The 21st Annual Tree of Light was held by the band shell in Forsyth Park on the first Sunday of December. This annual event raises funds for Full Circle's services, but more importantly, offers a time for families to gather to grieve and remember those no longer with them during the upcoming holiday season.

Also, thanks to the Gulfstream employees who decorate Hospice House each year. Santa and Mrs. Claus enjoyed their hard work when they stopped by for photographs the week before Christmas!

2012 Dollars Spent on Uncompensated Care and Services (\$1,189,466)

Volunteers helping ...every day...in every way

Volunteers provide companionship to our patients wherever they reside...They offer respite and friendship to exhausted caregivers.... They take patients to doctor visits...

They make supportive phone calls to the recently bereaved and facilitate grief support groups...They help run Camp Aloha...

They bake and sew...They play music...They provide the companionship of their certified therapy dogs....They style hair and take photographs of family reunions.....

They play cards...They play games...They honor our veteran patients and swap war stories....They file paperwork....They enter data and they scan medical records...

....They give from their hearts.

Helping People to Live: The Campaign for Hospice Savannah

Hospice Savannah has a 34-year legacy of identifying the needs of our community as they relate to living with a life-limiting illness, dying, death, grief, and loss and creating solutions to meet those needs. We brought hospice care 34 years ago, Hospice House 21 years ago, Grief and Loss services 15 years ago, Hospice House expansion 12 years ago, and Palliative Care services 11 years ago.

Looking forward, Hospice Savannah has identified additional and unaddressed needs of our community and has developed the solution – The Center for Living.

Hospice Savannah’s Center for Living will make four much-needed improvements possible:

- 1. The Edel Caregiver Institute, providing area caregivers with what will become one of the country’s finest sources for information, training, and support. This community institute will launch standard-setting, innovative programs to help caregivers learn how to best deal with their impending or current challenges as they care for loved ones.
- 2. Expanded Full Circle programs to reach more people, including new programs for entire families, for those who have lost a family member in military service, and parents who have lost a child, to name just a few.
- 3. Through extensive educational programs available at the Center for Living, healthcare professionals, community volunteers and professional caregivers will be able to take advantage of invaluable training programs to enhance their skills.

- 4. A relocated Steward Center for Palliative Care, allowing this community resource to more effectively coordinate its activities and patient information with other program staff and to be better positioned to grow the palliative care services that mean so much to our patients and their loved ones.

For us to realize our potential to serve the people of our region, we must secure \$3 million in philanthropic support from the community. As of December 31, 2012, \$2.1 million had already been committed. As a nonprofit organization, we rely on our partnership with the community to help us provide the best possible facilities and services to individuals and families who can benefit from our help.

Hospice Savannah’s \$3 million Center for Living capital campaign will be an investment in the whole community, as we grieve the loss of a loved one or care for someone terminally or seriously ill, we can find guidance and support through this wonderful community resource.

For more information, please contact Megan Kerley, VP Foundation, at 912.629.1025 or mkerley@HospiceSavannahHelps.org.

Endowments are Forever

Our endowments represent a powerful and stable source of funding for Hospice Savannah's vital services, projects, and programs. This support lasts not just for one year, or even a generation, but forever.

Endowments are a meaningful way for donors to provide for a much-appreciated program, like our veterans initiative or our music therapy program, or to pay tribute to a loved one, like the Sarah Violet Ellis Fund. Regardless of the name or the usage, these endowments provide a significant and enduring way to make a difference in the lives of current and future patients, their families and loved ones.

While there are guidelines for establishing a named endowment (please contact Hospice Savannah Foundation for more details), gifts of any amount can be added to any of these established funds at any time.

For 34 years, Hospice Savannah has provided the best services and resources to our community on living with a life-limiting illness, dying, death, grief and loss. And, our endowments will ensure that we will continue our mission well into the future.

In 2012, nearly \$180,000 in additional support of our services and programs was made possible as a result of the following funds:

Donor Restricted Funds:

Sarah Violet Ellis Fund – For the care and support of children under the age of 21 who are suffering from a life-limiting illness and the bereavement support of those who have lost someone under the age of 21

Dr. Deborah Fulmer & John “Jack” Leigh Endowment Fund – For the care and support of children under the age of 21 who are suffering from a life-limiting illness, the bereavement support of those who have lost someone under the age of 21, or support to anyone in need who is receiving services at Hospice House

Jeanne Heard Hunter Fund – In support of Full Circle’s bereavement programming

Kaminsky Auto Group Endowment Fund – For support of Camp Aloha and children’s bereavement services

Levy Family Foundation Child Bereavement Endowment Fund – For support of children’s bereavement services

Robbie Smith Endowment Fund – For the care and upkeep of Hospice House

Steward Palliative Care Fund – For the care and support of those suffering from a chronic disease

MGySgt Roy L. Strickland, USMC, Ret. Education Fund – For the education of Hospice Savannah staff and volunteers about the unique needs of veterans and their families during end-of-life care, and for the education of the veteran community about Hospice Savannah’s programs and services

Story Keeping Endowment Fund – For the support of Hospice Savannah’s Story Keeping program

Technology Endowment Fund – For improvements to and maintenance of Hospice Savannah’s information systems and equipment

John and Mary Vetter Endowment Fund – For the support of Hospice Savannah’s Music Therapy program

Board Designated Funds:

Bereavement Fund – In support of Full Circle’s grief and bereavement programs and services

Building Fund – To support the maintenance and upkeep of the Hospice House building and grounds

General Endowment Fund – In support of Hospice Savannah’s greatest current needs

Carolyn Hume Endowment Fund – For the care and support of terminally ill persons

Memorial Health Palliative Fund – In support of the Steward Center for Palliative Care

Anne K. Stewart Fund – In support of any of Hospice Savannah’s programs
