

2011 ANNUAL REPORT

to our community

HOSPICE

S A V A N N A H

People with a gift for helping.™

“I can’t remember names, but if you can thank everyone – especially the nurses I had to call in the wee hours of the morning. If it had not been for Hospice Savannah I would not have been able to keep Mom at home where she wanted to be. Thank you all.”

– *Homecare Patient’s Family Member*

“Our Mom came to Hospice House with the expectation she would pass away within three days. She was a patient for seven and a half weeks. The care by all was excellent. Our family made many friends with the employees.”

– *Hospice House Patient’s Family Member*

“The bereavement services were a life line to me! I had both individual and group support. The six week group program was wonderful. I felt so much better and clearer after the sessions. The bereavement services I received were needed and helped me to understand and cope with my feelings. I would not be doing as well as I am without them. My family support was lacking.”

– *Full Circle Client*

Our Mission

Hospice Savannah, Inc., a not-for-profit organization, provides our community the best services and resources on living with a life-limiting illness, dying, death, grief and loss.

Letter from Board Chairs

Dear Friends of Hospice Savannah:

For over 33 years Hospice Savannah, later joined by The Steward Center for Palliative Care and Hospice Savannah Foundation, has been providing our community with the best services and resources on living with a life-limiting illness, dying, death, grief and loss. As the Coastal Empire's oldest not-for-profit hospice agency, we are able to provide all of our services without regard to an individual's ability to pay because of the generous support of people like you.

Because of you, Hospice Savannah provides the best end-of-life care to our patients and much needed support to the citizens of our community. The comfort of our homelike Hospice House, the vital bereavement counseling offered by our Full Circle's staff and volunteers, The Steward Center for Palliative Care relieving pain and discomfort, the relaxation of a gentle touch through massage, the gift of story keeping, the joy of music therapy sessions, and more would not exist without your support. Your generosity helps so many during otherwise difficult and challenging moments.

This is our annual report to you, our community – our supporters – sharing all we have accomplished together in 2011. The excellent care and compassionate support and services we provided to thousands of people last year was truly a joint effort between us and you. And we are so grateful to have you be a part of it!

Hospice Savannah was established by the community, for the community and is supported by the community. Without this shared commitment to our mission, our work would not be possible. Thank you for your generous monetary gifts as well as time and talent to ensure anyone who needs our help receives it.

With gratitude,

Holden T. Hayes, Chair

Hospice Savannah, Inc. Board of Directors

Elizabeth M. Oxnard, Chair

Hospice Savannah Foundation, Inc. Board of Trustees

E.B. "Zeke" Gaines, III, President

The Steward Center for Palliative Care, Inc. Board of Directors

Debra Anthony Larson, MSW, President & CEO

Helping the Coastal Empire for over 33 years...

We also offer bereavement services for any child, teen, or adult in the five counties we serve, regardless of the nature of the loss. Contact Full Circle at 912.303.9442 or visit our website www.HospiceSavananhHelps.org for more information regarding individual or group therapy appointments in Savannah, Rincon or Hinesville.

Additionally, we help patients with chronic and life-limiting medical conditions who are not yet ready to accept, or are not yet appropriate for, our hospice care. Our Steward Center for Palliative Care offers medical expertise and Steward Center Companion volunteers can support weary caregivers or patients for up to four hours a week. Please contact 912.354.8014 or visit our website www.StewardCenter.org for more information.

We are proud that profits are returned in the form of extra services to our patients and families, rather than in dividends to financial shareholders.

We are here to lift the burden of worry when you or your loved one receives a life-limiting diagnosis. Simply call our Referral Center at 912.355.2289 and we will answer all your questions by phone, or preferably, come to see you as soon as possible. Medicare, Medicaid and most private insurance will cover the costs of our care, but care is provided regardless of ability to pay.

We provide:

- Medications and therapies related to the terminal illness to provide comfort and independence delivered to your home at no expense. Our patients enjoy life fully and do not need to be home bound.
- Peace of mind through around-the-clock on-call availability of registered nurses, social workers and chaplains.
- Medical equipment such as hospital beds, oxygen, wheelchairs and supplies and disposable paper products for patient comfort and caregiver convenience delivered to your home at no expense.
- Emergency admission to Hospice House, acute hospitalization, or continuous care in your home for aggressive pain or symptom management.
- Five-day respite stays in Hospice House to offer caregivers a much needed break.
- Music therapy, story keeping, physical therapy, massage therapy, speech therapy, and nutritional counseling as needed.
- The support of physicians and nurse practitioners certified in hospice and palliative care medicine.

2011 Review

January - March

January's ad featured homecare nurse Beth Conway and one of her patients. We had the privilege of helping 1,412 patients and their families in 2011 throughout Bryan, Chatham, Effingham, Liberty, and Long counties

The Hospice Savannah Art Gallery's January show featured Low Country works by painters Amiri Farris, Allen Fireall, Richard Law, and Carol Lassell Miller. Thanks to all the Gallery patrons who support us through their art purchases!

Our 3rd Annual Hospice Savannah Lecture series featured Paul Lombardo, Professor of Law, Georgia State University, who discussed "Law at the End of Life; what we have learned from Quinlan to Schiavo." Professor Lombardo's talks focused on the critical importance of making one's advance healthcare and legal wishes known. We are grateful to Dr. Martin Greenberg's leadership and to sponsoring companies Hospice Pharmacia and Smith Barid, LLC, for underwriting the series.

Complimentary Advance Directives workshops are offered monthly at Hospice House and throughout the community upon request. Our Community Outreach department is committed to education. By offering and participating in over 550 community events in 2011 we educated over 18,000 people about how we can help.

February's ad featured one of our pediatric patients and his grandfather. No parent ever wants to "give up" on their child. A nation-wide Medicaid solution called "Concurrent Care" means they don't have to...children can concurrently receive the Medicaid hospice benefit and continue to receive all other treatments and services for which they qualify.

Our Butterfly Team of specially trained physicians and nurses, social workers, chaplains, volunteers, music therapist, massage therapist and story keeper, are here to help chronically ill children and their families.

Spanish pages were added to our website to make it more accessible to the Hispanic population we serve.

March's ad featured some of our wonderful staff relaxing in the beautiful rose gardens next to Hospice House. Patients, families, staff and volunteers enjoy walking across the wheelchair accessible bridge joining our two properties.

2011 Review

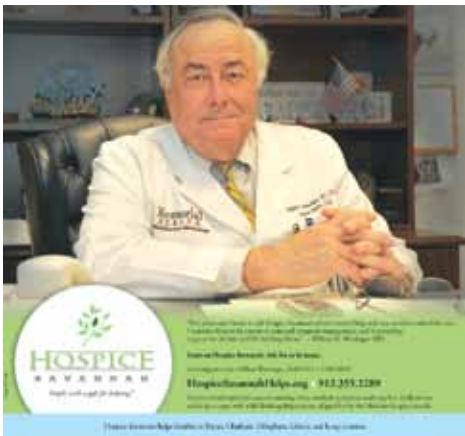

March - May

Our thanks to volunteer photographers Les Wilkes and Diane Booker who so generously give of their time photographing our patients and families throughout the year. In March they had the opportunity to display their personal work in our Art Gallery, and in late October shared images of our patients.

As usual, staff and volunteers had fun marching in the St. Patrick's Day Parade!

April's ad underscored the good relationships we have forged with the medical community over the last 33 years. Thanks to the many physicians who collaborate with us when the time is right for their patients to receive palliative care or hospice services.

We enjoyed partnering with our Hospice House next-door neighbors – the Savannah Area Council of Garden Clubs – to host the first annual Savannah Rose Festival from April 29 to May 1.

Thanks to volunteer Suzy Willis for hopping by to brighten the day of many of our nursing home, assisted living facility, and Hospice House patients!

May's ad features volunteer Suzy Willis visiting a World War II veteran patient, Neil W. Johnson, 1st Lieutenant, U.S. Army Air Corps (Mighty 8th). As part of the national "We Honor Veterans" program, we had the honor of pinning 258 veteran patients and presenting them with certificates of appreciation for their service to our country.

2011 Review

May - July

Sixty seven children were helped along their grief journey by attending Camp Aloha. This annual overnight camp is underwritten in part by the Kaminsky Auto Group. We thank them for their continued and generous support.

Our June ad highlighted several longstanding staff members who have attained Hospice and Palliative Care certification. We know our care is enhanced by our staff's many years of service and dedication to continuing education.

Thanks to our many supporters who graciously hosted a dinner party on our behalf during our 2nd annual Summer Night event. We are also grateful to the guests who made a donation to Hospice Savannah to attend the dinners. Later that evening, guests and hosts mingled in the garden of the Round House for desserts, drinks and jazz.

Hospice Savannah Art Gallery committee member Daniel E. Smith is a nationally acclaimed artist. He, and silverpoint artist Jeannine Cook jointly presented the show "Point and Counter Point" during May and June.

July's ad featured homecare patient Mr. Charles Robbins with one of our physicians, Dr. Cindy Carter, during a visit to his home.

Sue Gouse's paintings helped to brighten the day of our patients and visitors to Hospice House.

2011 Review

August - October

Your financial support enables us to provide the extra complementary therapies not covered by the Medicare Hospice Benefit. Our patients enjoy the services of our volunteer Hug-a-Pet program, a certified massage therapist and a reiki master, a certified music therapist and a story keeper.

The 9th Annual Robbie Smith Golf Outing to benefit Hospice Savannah was held on August 26th. Robbie was a vibrant sports-loving young man who died under our care in December 1994, just one day shy of his 30th birthday. Thanks to Robbie's family and friends for coordinating this fun filled day in his memory.

September's ad featured homemaker patient Mr. James Green with his homemaker nurse, Dawn.

We were honored to have Department of Veterans Affairs Chief of Staff, John Gingrich, as the guest speaker during a ceremony to honor our veteran patients on September 30th. A memorial and bust sculpted by Susie Chisholm (L) were unveiled. The bust is a likeness of MGySgt. Roy L. Strickland who died under our care and whose son Jim, (R) and daughter-in-law Polly, have generously chosen to establish an endowment fund in his name.

We are grateful to the members of our Ethics Committee for ensuring we always act in the best interest of our patients, offering them justice, autonomy, confidentiality, and above all, dignity.

Our 3rd annual 5 by 7 art show was a wonderful success with over a hundred community artists donating small masterpieces to sell by silent auction. Thanks to the artists for their generosity and to the patrons who supported the show!

2011 Review

November - December

Our 20th annual community-wide Tree of Light ceremony (held in Savannah's Forsyth Park) was promoted in this November ad. Donations help fund the many grief and loss services provided at no charge by Full Circle's bereavement staff and volunteers: individual and group counseling for children, teens and adults in our Savannah, Hinesville or Rincon locations; supportive counseling to area businesses or schools in times of crisis; an overnight children's grief camp; and bereavement support as needed within the public and private school system.

Local painter and Art Gallery Committee member Rebecca Kahrs Willis displayed her work in our Gallery during November and December.

Thanks to Colonial Group, Inc., and The Savannah Bank for their ongoing support of Hospice Savannah! They were our wining nominees in the Big Business category and the Small Business category respectively at the Coastal GA Chapter of the Association of Fundraising Professionals' reception held on National Philanthropy Day.

Colonial Group's President, Bob Demere, receives his award.

Thanks to the generosity of two anonymous donors, Henry, the Hospice Savannah Hound, debuted during the holiday season. Henry's mission is to share our caring through hugs, love, and laughter as he visits children at Grief Camp, represents us in community parades and health fairs, or visits our patients in local nursing homes or in Hospice House.

We were delighted to be notified by the Banfield Charitable Trust that we have been approved for funding to offer a Pet Peace of Mind© program to our patients and families. We believe every member of the family – including the pets – deserves compassionate care. Now through the Trust's generosity, we can extend our care to animals so we can keep patients and their beloved pets together during their time under our care.

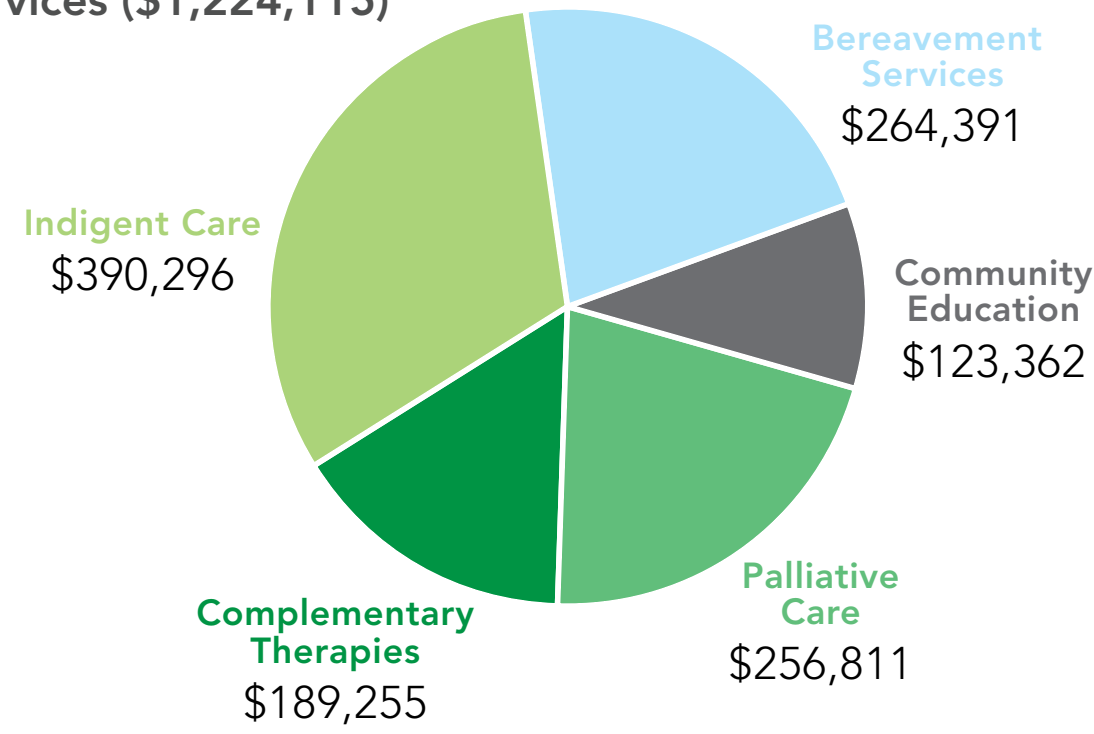

Only two hospices provide these service in Georgia.

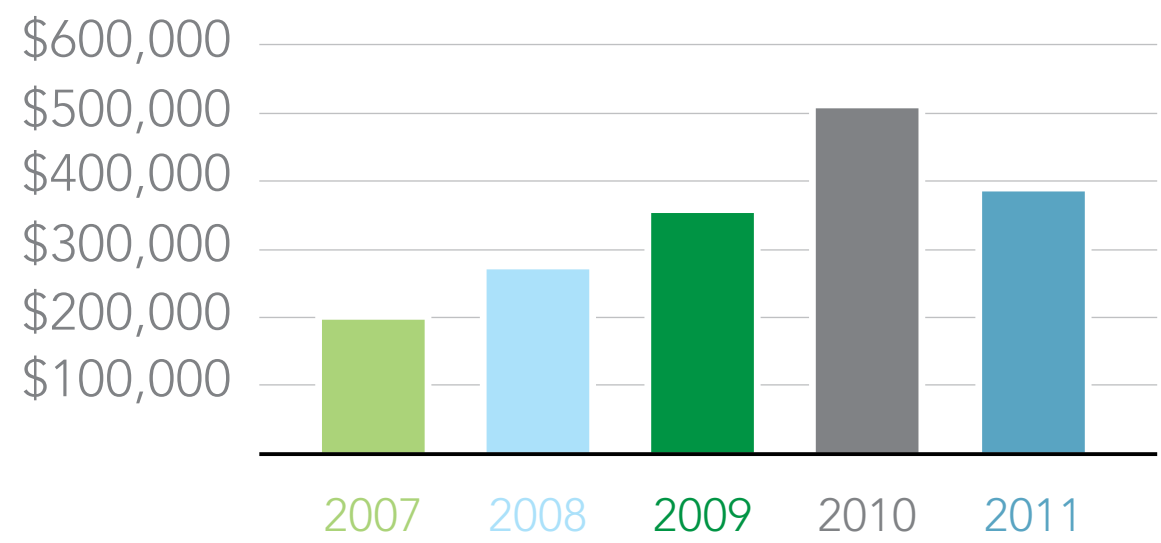

In a season full of special memories, we thank you for your support and wish you a happy and prosperous New Year.

These images are from our annual volunteer recognition event in November, held under the twinkling stars of the Johnny Harris restaurant's circular ceiling – the perfect setting for a 1950's evening of rock and roll!

Our volunteers epitomize the definition of philanthropy – the desire to improve the material, social and spiritual welfare of humanity. They visit our patients in their homes, nursing homes, and assisted living facilities, in Hospice House and in the hospital. They provide companionship and respite to exhausted caregivers; they make supportive phone calls and visits to bereaved family members. They co-facilitate grief support groups and help run our children's grief camp. They bake, sew, play music, visit with their certified therapy dogs, play cards, style or cut hair. They do filing or accounting or computer work in our administrative offices. They accompany patients on doctor's visits; they build wheelchair ramps; they go to the grocery store. They serve on boards and on committees.

They share our passion and dedication to our mission. They are the heart of Hospice Savannah.

Looking Forward: Helping People to Live

Hospice Savannah's new Center for Living

At Hospice Savannah's new Center for Living, so much more becomes possible...

Hospice Savannah has carefully developed plans for a new building to provide one of the most innovative and comprehensive programs in the country – the Center for Living. This carefully designed facility will allow us to begin new caregiver-focused and expanded Full Circle programming.

The Center will make four major improvements possible:

1. The new Caregiver Institute, providing area caregivers with what will become one of the country's finest sources for information, training, and support. This extraordinary new community resource will launch standard-setting, innovative programs to help caregivers learn how to best deal with their impending or current challenges as they care for loved ones.
2. Expanded Full Circle programs to reach more people, including new programs for entire families, for those who have lost a family member in military service, and parents who have lost a child, to name just a few.

3. Through extensive educational programs available at the Center for Living, healthcare professionals, community volunteers and professional caregivers will be able to take advantage of invaluable training programs to enhance their skills, skills that allow them to provide invaluable help.
4. A relocated Steward Center for Palliative Care, allowing this invaluable resource to more effectively coordinate its activities and patient information with other program staff and to be better positioned to grow the palliative care services that mean so much to our patients and their loved ones.

For us to realize our potential to serve the people of our region we must secure \$3 million in philanthropic support - over \$1.6 million is already committed. As a nonprofit organization, we rely on our partnership with the community to help us provide the best possible facilities and services to individuals and families who can benefit from our help.

Hospice Savannah's \$3 million Center for Living building project will be an investment in the whole community, as we grieve the loss of a loved one or care for someone terminally or seriously ill, we can find guidance and support through this wonderful community resource.

For more information about this important community project, to discuss naming opportunities, or ways to support the effort, please contact Megan Kerley, Vice President, Hospice Savannah Foundation, at 912.629.1025.

Thank you for your help

Gifts that keep on giving...

are the longest-lasting way to sustain Hospice Savannah and its vital services, projects, and programs.

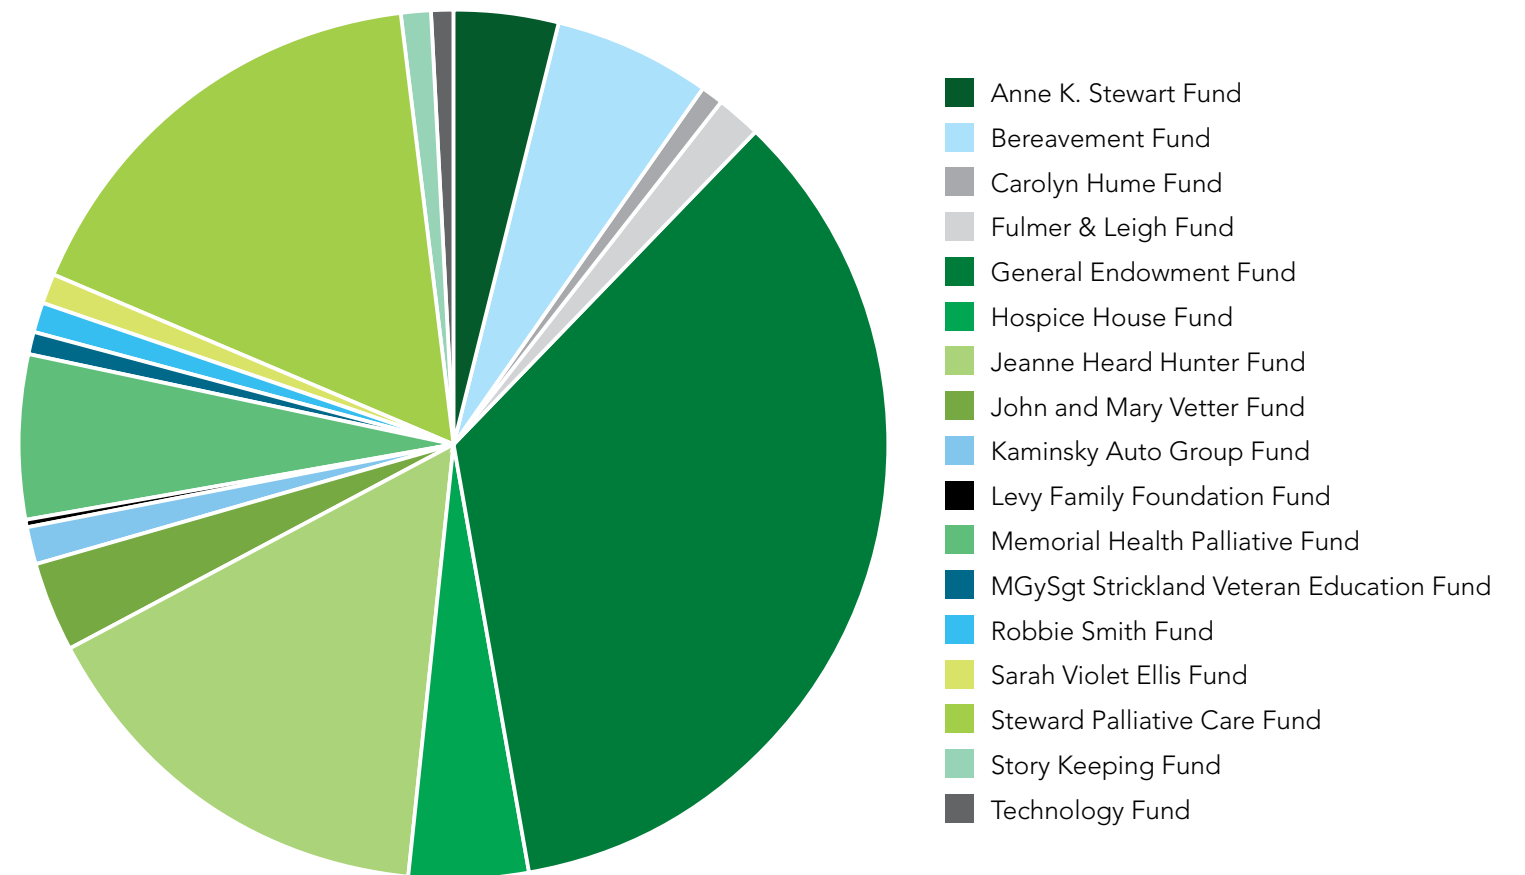

Many of Hospice Savannah's endowed funds were founded by individuals and are a meaningful way for those donors to pay homage to a loved one or to provide for a cherished program. Other funds have been established by the Foundation's Board of Trustees to secure a stable source of support for Hospice Savannah. These endowments provide a meaningful and lasting way to make a difference in the lives of current and future patients, their families and loved ones.

While there are guidelines for establishing a named endowment (please contact Hospice Savannah Foundation for more details), gifts of any amount can be added to any of these established funds at any time.

For more than three decades, Hospice Savannah has provided the best services and resources to our community on living with a life-limiting illness, dying, death, grief and loss. And, our endowments will ensure that we will continue our mission well into the future.

Donor Restricted Funds:

- Sarah Violet Ellis Fund – For the care and support of children under the age of 21 who are suffering from a life-limiting illness and the bereavement support of those who have lost someone under the age of 21.
- Dr. Deborah Fulmer & John "Jack" Leigh Endowment Fund – For the care and support of children under the age of 21 who are suffering from a life-limiting illness, the bereavement support of those who have lost someone under the age of 21, or support to anyone in need who is receiving services at Hospice House.
- Jeanne Heard Hunter Fund – In support of Full Circle's bereavement programming.
- Kaminsky Auto Group Endowment Fund – For support of Camp Aloha and children's bereavement services.

- Levy Family Foundation Child Bereavement Endowment Fund – For support of children's bereavement services.
- Robbie Smith Endowment Fund – For the care and upkeep of Hospice House.
- Steward Palliative Care Fund – For the care and support of those suffering from a chronic disease.
- MGySgt. Roy L. Strickland, UMSC, Ret. Education Fund – For the education of Hospice Savannah staff and volunteers about the unique needs of veterans and their families during end-of-life care, and for the education of the veteran community about Hospice Savannah's programs and services.
- Story Keeping Endowment Fund – For the support of Hospice Savannah's Story Keeping program.
- Technology Endowment Fund – For improvements to and maintenance of Hospice Savannah's information systems and equipment.

- John and Mary Vetter Endowment Fund – For the support of Hospice Savannah's Music Therapy program.

Board Designated Funds:

- Bereavement Fund – In support of Full Circle's grief and bereavement programs and services.
- General Endowment Fund – In support of Hospice Savannah's greatest current needs.
- Hospice House Fund – To support the maintenance and upkeep of the Hospice House building and grounds.
- Carolyn Hume Endowment Fund – For the care and support of terminally ill persons.
- Memorial Health Palliative Fund – In support of The Steward Center for Palliative Care, Inc.
- Anne K. Stewart Fund – In support of any of Hospice Savannah's programs.
