

# JOIN US!

Join Us As We  
Remember and Honor  
the Robert Smith Family.

Join us Friday, April 23rd for a round of golf that to support Hospice Savannah and it's many programs and services.

We're excited to present the Hospice Savannah charity golf tournament, presented by USI, and honoring the Robert Smith Family, at one of Savannah's most exciting golf courses this year – the Club at Savannah Harbor! A Troon Golf course, it was designed by renowned architect Robert Cupp, in conjunction with the legendary "Slammin' Sammy" Snead.

Enjoy scenic views, challenging holes, and best of all, your support will benefit a wide variety of meaningful programs and services – from caregiver training and support; to bereavement counseling for adults and children who have experienced the loss of a loved one; to the healing arts of music therapy, massage therapy, and story keeping; to palliative care and the very best, nurturing end-of-life care.

Robbie Smith was a vibrant, sports and fun-loving young man who was diagnosed with brain cancer in 1992. Robbie's family organized an annual golf tournament in his memory and to raise funds in gratitude for the care he received from Hospice Savannah for the last 15 months of his life. This year, we will be honoring not only Robbie's memory, but will also remember and honor Robert and Jeannie Smith, Robbie's parents, who both passed away in 2020.

Please plan to join us for this very special event, as we honor the Smith Family, who worked tirelessly to raise critically-needed funds to support Hospice Savannah for more than 16 years. Their unwavering support has made it possible for Hospice Savannah to do so much for our community through its programs and services – whether it's caregiver training or support; bereavement counseling for adults or children (6-17); palliative care; the Healing Arts of massage therapy, music therapy, and story keeping; or high-quality end-of-life care.

*People with a gift for helping.™*
