

Making a Lasting Difference with a Legacy Gift to Hospice Savannah Foundation

A planned gift to Hospice Savannah Foundation is a meaningful way to leave a lasting legacy and make a difference in our community.

Hospice Savannah relies on the generosity of our community in order to provide the essential programs and services we offer. In fact, what sets us aside from many other hospice providers is that our mission is to provide what is needed, not just what qualifies for reimbursement. Many of the services that make Hospice Savannah special – music and massage therapy, grief and bereavement support, Pet Peace of Mind, our veterans program, and more - are *not* covered by Medicare or insurance, and *would not exist* without charitable donations and caring donors just like you.

Hospice Savannah Foundation, Inc. a 501(c)(3) not-for-profit corporation, supports the programs and services of Hospice Savannah, Inc. and The Steward Center for Palliative Care. We welcome planned gifts of many kinds, including:

- Charitable trusts and annuities
- Estate gifts
- Outright bequests
- Trusts

While your attorney can help you decide what type of gift best suits your legal needs, the Hospice Savannah Foundation is also available as a resource to help you learn more about the difference your gift can make. If we can be of help, or if you have already included Hospice Savannah Foundation in your will or estate plans and would like to let us know of your wishes, we welcome you to call or email.

As you make plans for your future, thank you for also thinking of Hospice Savannah.
