

The Steward Center for Palliative Care employs a nationally-recognized model to provide exceptional care, and is the ***ONLY provider of specialty palliative care*** in Chatham, Effingham, Bryan, and Liberty counties.

Providing chronic care management, nurse-led care coordination, and palliative care, as well as financial and insurance navigation, our physicians, clinicians, nurse practitioners, and team members focus on alleviating symptoms and enhancing the quality of life for individuals living with serious illnesses like CHF, COPD, cancer, kidney disease, movement disorders, and dementia.

Services are covered by commercial insurances, Medicare (Part B), and Medicaid. The Steward Center for Palliative Care serves anyone regardless of diagnosis, age, race, religion, or ability to pay.

HOME-BASED SERVICE

A physician and nurse practitioner-led service provided wherever you call home: home, apartment, assisted living facility, skilled nursing facility, etc.

- Improve quality of life.
- Clarify values and goals of care.
- Avoid unnecessary or repeated hospitalization.
- Engage patients and families to help understand care preferences.
- Assist with care during services for continued help and aid in transitioning to home health care services or hospice care when needed.
- Collaboration with primary physician and other providers involved in care. (Palliative care bills Medicare Part B.)
